

NOP-HS Scientific Journal Grants

Observera att denna utlysningstext finns tillgänglig enbart på engelska.

The Nordic Board for Periodicals in the Humanities and Social Sciences (NOP-HS) invites proposals for funding of Nordic scientific journals within the humanities and social sciences. The NOP-HS supports open access Nordic journals of highest scientific quality that promote renewal within their fields and aim to promote the dissemination of qualified research results. NOP-HS is a sub-board to the Joint Committee for Nordic Research Councils in the Humanities and Social Sciences (NOS-HS).

Technical questions

You apply electronically through [Prisma](#), which is the application system used by the Swedish Research Council. You create an application in the Prisma system by filling out the text fields, retrieving information from your personal account, and by enclosing the required appendices.

We kindly ask you to first consult the help menu in the Prisma system, where you will find instructions and [FAQs](#) as well as a detailed [user manual](#), which describe most of the required steps in Prisma.

If you cannot find the answer to your technical question in the above-mentioned information material, please contact [our technical support team](#). Please note that depending on the workload, it may take up to 1-2 working days before you get a reply.
